

# Two Good Games Booked at Ball Lot Today

Lives of great men off remind us  
We could make our lives sublime,  
If we hadn't looked behind us  
At the Dams we saw that time.

Have got one little, gal ball left.  
But we're afraid to hit it.  
It's got someone's initials on it.  
We know we couldn't lose it.

## GLASSIES PLAY IDA MAY BUNCH TWILIGHT GAME

Glass Workers Will Be Out  
in Full Force to  
This Battle.

Two good ball games are booked for South Side Park this afternoon and early evening. The Monongah team, newly organized, is booked for a game with the Fairview Glassies, starting at 3:30. This game is expected to be a good contest and one which should interest all the fans. At 6 o'clock another fast game will be played, the Monongah Glassies and Ida May teams fighting out at that time. It is likely that one of the largest crowds of season will be on hand for the game at 6 o'clock, as there is much rivalry between the two aggregations. This game was to have been played on the morning of July 4, but owing to the condition of the field following the rain the night before the game had to be postponed. All the delegates to the American Flat Glass Workers' convention will likely be on hand to root for the Monongah Glass tribe. Teams representing the East and West of the glass workers' convention will look horns at South Side Park tomorrow afternoon. Proper precautions have been taken for the game time, and it is believed that the game will rival a World Series contest in every respect.

William P. Clark, president of the American Flat Glass Workers' Union, will act as umpire for the contest. President Clark assured the players today that the game would be well managed, and that every ball thrown across plate would either be called ball or a strike depending upon the accuracy of the pitcher.

Vice-President Joseph Gillooley announced today that he intended to play first base for one of the teams. Many other national officers will act in the game, and it has great possibilities of being a spirited contest.

The Diamond Street M. E. baseball team came through in the last inning and defeated the Pelantia Baptists by the score of 8 to 7 yesterday. Five errors made by the Baptist fielders were enough to allow the M. E. boys to get five runs in the final frame.

Joe White pitched airtight ball throughout the entire contest, allowing the M. E. sluggers but five scattered hits. This was counteracted, however, by the poor support given him by his teammates. The Baptist boys pitched out 13 hits, but poor base-running held their final tally down to 7 runs.

With the exception of the pitcher and first baseman, the M. E. boys were using the East Side high school lineup. The team worked well together and the airtight fielding was the big factor in their victory.

This evening the Bunnies Stars and the First M. P. teams will get together. "Dad" Snedegar, for three years the star on West Virginia Wesleyan's eleven, will enter Washington and Jefferson College this fall. It goes without saying that "Dad" will make some of the best backfield material work to hold a place on the Red and Black team next fall. Snedegar is perfectly familiar with Neal's system of coaching. He was under Greasy in the good old days when he had his head coach at Wesleyan. Neal knows what to expect of the Orange and Black star next year and he seems very much pleased that Snedegar has chosen Wash-Jeff as a place to finish his education.
